AN ACT

1 Providing for the establishment and funding of a center to  
2 conduct research on gun violence in this Commonwealth.

3 The General Assembly of the Commonwealth of Pennsylvania  
4 hereby enacts as follows:

5 Section 1. Short title.

6 This act shall be known and may be cited as the Center for  
7 Gun Violence Research Act.

8 Section 2. Findings.

9 The General Assembly finds and declares the following:

10 (1) Gun violence is a significant public health crisis  
11 and public safety problem in this Commonwealth and  
12 nationwide. Nationally, rates of fatal gun violence have  
13 remained essentially unchanged for more than a decade, as  
14 declines in homicide have been offset by increases in  
15 suicide.

16 (2) For the decade ending in 2010, Pennsylvania had  
17 12,941 gun-related deaths, which ranked fourth highest in the  
18 United States. During that same decade, the rate of gun

1 homicides among children and teens in this Commonwealth  
2 ranked as one of the highest in the nation.

3 (3) The annual cost of gun violence across the United  
4 States is estimated to be more than \$100 billion and could be  
5 as high as \$229 billion per year.

6 (4) Too little is known about gun violence, its causes  
7 and the best practices for its prevention. There is a  
8 substantial need for publicly funded academic research in gun  
9 violence. The need for more research and more sophisticated  
10 research is critical in fighting the plague of gun violence  
11 in our schools and communities.

12 (5) Federal funding for gun violence research through  
13 the Centers for Disease Control and Prevention was  
14 effectively eliminated by Congress in 1996 through the  
15 passage of a provision know as the Dickey Amendment.

16 (6) It is the intent of this act to provide State  
17 funding for gun violence research in place of the Federal  
18 funding that has been curtailed by the Dickey Amendment.

19 Section 3. Definitions.

20 The following words and phrases when used in this act shall  
21 have the meanings given to them in this section unless the  
22 context clearly indicates otherwise:

24 under section 4.

25 "University." Any of the following:

27 located in and incorporated or chartered by the Commonwealth,  
28 entitled to confer degrees as set forth in 24 Pa.C.S. § 6505  
29 (relating to power to confer degrees) and entitled to apply  
30 to itself the designation "college," "university" or

1 "seminary" as provided for by standards and qualifications

19 on a nonpartisan basis.

20 Section 5. Location of center.

21 (a) Request for proposals.--Proposals for the location and

19 the evaluation of proposals.

20 (g) Discussion with responsible offerors and revision of  
21 proposals.--The following shall apply:

22 (1) As provided in the request for proposals, the  
23 evaluation committee may hold discussions with a university  
24 for purposes of reviewing and clarifying the university's  
25 proposal.

26 (2) A university shall be accorded fair and equal  
27 treatment with respect to any opportunity for discussion,  
28 review or revision of a proposal.

29 (3) In conducting a discussion under paragraph (1), the  
30 evaluation committee shall not disclose any information

1 derived from proposals submitted by competing universities.

3 proposals are determined in writing to be the most advantageous  
4 to the Commonwealth for carrying out the intent of this act and  
5 the mission of the center shall be recommended to the Governor  
6 for final selection.

7 (i) Selection by Governor.--Within 10 days of receipt of the  
8 recommendations under subsection (h), the Governor shall select
