

THE GENERAL ASSEMBLY OF PENNSYLVANIA

# HOUSE RESOLUTION

No. 415 Session of  
2026

INTRODUCED BY KAZEEM, WAXMAN, HOHENSTEIN, HILL-EVANS, RIVERA,  
RABB, D. WILLIAMS, MAYES, SANCHEZ, CURRY AND GREEN,  
FEBRUARY 4, 2026

REFERRED TO COMMITTEE ON JUDICIARY, FEBRUARY 5, 2026

## A RESOLUTION

1 Directing the Joint State Government Commission to conduct a  
2 study on trauma-informed care training provided to law  
3 enforcement officers under Act 59 of 2020 and issue a report  
4 of its findings and recommendations to the House of  
5 Representatives.

6 WHEREAS, The American Psychological Association defines  
7 trauma as any disturbing experience that results in significant  
8 fear, helplessness, dissociation, confusion or other disruptive  
9 feelings intense enough to have a long-lasting negative effect  
10 on a person's attitudes, behavior and other aspects of  
11 functioning; and

12 WHEREAS, Law enforcement officers, as first responders,  
13 regularly encounter dangerous and tragic events which may have  
14 traumatic effects on their physical, cognitive and behavioral  
15 well-being; and

16 WHEREAS, Law enforcement officers who have experienced trauma  
17 or who live with post-traumatic stress disorder may be reluctant  
18 to seek support from loved ones, professional resources or  
19 superiors due to concerns about stigma or potential employment

1 consequences; and

2 WHEREAS, Trauma-informed care is a framework for  
3 understanding the prevalence and impact of trauma, for training  
4 first responders on interacting with trauma-affected individuals  
5 and for integrating this knowledge into policy and practice  
6 while avoiding re-traumatization; and

7 WHEREAS, Training in trauma-informed care can help law  
8 enforcement officers reduce trauma on scene, improve  
9 interactions with members of the public who have experienced  
10 trauma or live with post-traumatic stress disorder and encourage  
11 recognition of trauma among fellow officers; and

12 WHEREAS, The General Assembly enacted Act 59 of 2020 to  
13 provide for mental health evaluations for law enforcement  
14 officers under specified circumstances and to require training  
15 in trauma-informed care and post-traumatic stress disorder  
16 through the Municipal Police Officers' Education and Training  
17 Commission; and

18 WHEREAS, Training provided under Act 59 of 2020 is critical  
19 to the safety of law enforcement officers and the public and may  
20 significantly affect outcomes in law enforcement encounters;  
21 therefore be it

22 RESOLVED, That the House of Representatives direct the Joint  
23 State Government Commission to conduct a study on trauma-  
24 informed care training provided to law enforcement officers  
25 under Act 59 of 2020 and issue a report of its findings and  
26 recommendations to the House of Representatives; and be it  
27 further

28 RESOLVED, That the Joint State Government Commission, in  
29 conducting the study, examine and report on all of the  
30 following:

1           (1) How law enforcement officers are trained on trauma-  
2 informed care, including training on all of the following:

3           (i) Recognizing and interacting with individuals  
4 with post-traumatic stress disorder.

5           (ii) Intervening with or on behalf of fellow  
6 officers exhibiting signs of post-traumatic stress  
7 disorder.

8           (2) The frequency with which such training is provided  
9 to law enforcement officers.

10          (3) The identity and qualifications of training  
11 providers, including whether the Municipal Police Officers'  
12 Education and Training Commission contracts with outside  
13 entities for this purpose.

14          (4) How the training requirements and content in this  
15 Commonwealth compare with those of other states.

16          (5) Available data on the number of law enforcement  
17 officers who have received or not received such training,  
18 disaggregated by county.

19          (6) Available data on the effects of such training on  
20 reducing incidents of violence involving law enforcement  
21 officers and individuals with post-traumatic stress disorder.

22          (7) Potential changes to State law, practices, policies  
23 or procedures to improve trauma-informed care training for  
24 law enforcement officers and enhance interactions with  
25 individuals affected by trauma;

26 and be it further

27       RESOLVED, That the Joint State Government Commission issue a  
28 report of its findings and recommendations to the House of  
29 Representatives no later than one year after the adoption of  
30 this resolution.
